

Teacher development action plan

Tick the things you do and add details where necessary.

1. Share my ideas with colleagues.

2. Study for a further qualification in teaching or another subject that interests me and may help my teaching.

3. Subscribe to a journal for teachers.

4. Write an article for a teacher's journal.

5. Regularly attend workshops, webinars and/or conferences.

6. Present at workshops, webinars and/or conferences.

7. Observe my peers teaching and invite them to observe me.

8. Have an extensive online personal learning network.

9. Participate in online teacher forums and/or make use of free online training such as webinars and MOOCs.

10. Write a journal or blog about my teaching.

Which one of these would you like to start doing in the future? What action will you need to take? Write your action plan.

Tell a partner about your action plan. What does your partner plan to do? Is there a way you can help or support each other?
