

# Tutorial form

How do you feel you are progressing on the course overall?

Which areas do you feel you have most progressed in?

Which areas would you like to focus on or do you need tutor support for?

Is there anything you are particularly concerned about?

Is there anything you would like more of on the course?

Is there anything you would like less of?

Discuss these questions with your tutor, who will summarise the discussion below with any action points to be taken.
