

# Session 1.3: Similarities and differences

## Activity sheet 1.3.1: Similarities and differences

■ Find out what 'similarities' means.

■ Find out what 'differences' means.

## Activity sheet 1.3.2: How are we different?

People are all similar but we are all different.

We look similar but we are all different.

- Some people are tall, some are short.
- We have different colour eyes.

Think of 3 more differences in the way we look.

1.

2.

3.

## Activity sheet 1.3.3a: What makes you, you?

We all like different things.

Complete the table. You can write or draw the things you like.

<b>My favourite food</b>	<b>My favourite drink</b>
<b>My favourite television programme</b>	<b>My favourite sport</b>
<b>My favourite music</b>	<b>My favourite colour</b>

## **Activity sheet 1.3.3b: Do our differences matter?**

Talk in your group about the things you like. Does everyone like the same things?

Does it matter that we are different?

## Activity sheet 1.3.4: You and me

Choose 1 other person and write down the similarities and differences between you and that person.

<b>My name is</b>  .....	<b>The other person's name is</b>  .....
